# ***Anupam***

*Quality is always the result of high intention,  
sincere effort, intelligent direction and skillfull execution;  
it represents the wise choice of many alternatives.  
Anupam creations exemplify all these in a nutshell.*

*Our floor drains are made of best quality materials  
that stand the test of time and designed in tune with  
best ergonomics to match your utmost convenience.*

*What's more these advanced floor drains bear  
the hallmark of excellence and portray  
an evolved dimension of its very own.*

*In essence it guarantees you about our  
long standing tradition of quality and gives  
the best value for your money,  
you always look forward to.*

### **Anupam Floor Drain: Making your life grand and glorious**

We believe that Great products are the outcome of innovation and make your life simple. Our creations are also planned and engineered to give you more convenience and freedom in everyday life.

Anupam Floor Drain comes with a host of desired innovative features and meets your expectations. Apart from its regular size and features we also deliver it with center hole and in different customise size, which are available on request.

This book underlines our effort to provide you important and qualitative information about Anupam Floor Drain's different features and offerings. We have also added some quick reference guide for your convenience in this regard.

Visit **[anupamworld.com](http://anupamworld.com)** for any further information on all our products.

# FLOOR DRAIN REFERENCE GUIDE

## Creativity In Action

**Made in India** India is a born leader, and like many of the countries leader have believed, India is destined to play an extremely important role in leading the world in the right direction. Anupam® products are proudly made in India and according to the Indian user and requirement.

**ISO 9001 Certified** Anupam®, an ISO 9001 certified company, is committed towards the quality of not only it's product but its manufacturing process as well.

**ISO14000 Certified** With the same philosophy as for its quality system, Anupam® is dedicated to the protection of the environment and therefore is certified according to ISO 14001 environmental certificates.

**OSHAS 18000 Certified**  
Anupam® is OHSAS 18001 (Occupational Health and Safety Assessment Series) certified. OHSAS 18001 is an internationally recognised standard for occupational health and safety management which aims at reducing risks in the working environment.

**AISI-304 Grade** Anupam® Floor Drain are made from premium-grade AISI-304 steel, a heavy-duty material, for the high level of durability and reliability.

**1.5mm Thickness**  
The thickness of the stainless steel is probably the main point to check when buying a Floor Drain . The thicker the steel, the less susceptible it is to denting, bowing, noise, temperature changes and damage.

**1.0mm Thickness**  
Anupam® uses 1mm thick steel for the some of its models. This makes the Floor Drain less vulnerable to denting and bending.

**25 Years Of Excellence** We cherish the glory of more than 25 years of trust and value addition. Premium quality is the binding force of relationship between Anupam® and our valuable customers. We reflect a new definition of luxury, bliss and fanciful life with a special touch of innovation.

## **TERMS & CONDITIONS**

**Pricing:** Suggested list prices and product specifications are subject to change without notice. Pricing for India purchase only.

**Taxes:** Prices are inclusive of GST, state and local taxes will be extra when applicable.

**Loss and/or Damage in Transit:** Our liability ceases upon delivery of the goods to the carrier at our warehouse. Claims for damage and/or loss in transit to be made by the consignee against the carrier.

**Freight:** Prices are exclusive of freight.

**Outer Packing:** For a nominal charge, a drainer will be repackaged to further reduce damage that could occur during shipment. Outer packaging must be requested when the order is submitted.

**Returned Goods:** Returns will not be accepted without prior written authorization from Anupam. Handling and reconditioning charges will be assessed and will be charged accordingly as required to restore the items to saleable condition.

**Cancellation:** On custom-made or standard models designed to customer's specifications, an engineering charge will be assessed if order is cancelled before fabrication has commenced. Cancellation after fabrication/alteration is started will result in a charge commensurate with the extent of work completed.

**Jurisdiction:** Subject to Delhi Court Jurisdiction.

**Effective:** This price list effective from 15th August 2018.
